

Equal Opportunity Cell

The plan for Equal Opportunity Cell for universities is adopted by the UGC in the XII Plan. The SCAS has established the same in the year 2024. The basic purpose of this cell is to give equal opportunity to any deprived group or an individual in the field of higher education. This cell will create awareness among the students from SC/ST/OBC/Minorities/Differently abled persons or any other disadvantaged groups. It also ensures conductive environment for all the deprived groups and arranges special lectures from time to time by eminent personalities and academicians on topics such as Gender Equality, Equality and Discrimination, Rights of Minorities and Challenges and Way outs for Differently abled persons.
